# IS ENGLISH FUN?

# YES, IT IS!

- We can...
- write texts.
- act out dialogs.
- read cool stories.
- play vocabulary games.
- learn about new cultures.

We also make a trip to England in year 7!

If you like the English language, the "Besselgymnasium" is the right school for you! The English lessons are so much fun! And you can even visit the bilingual branch if you want to learn other subjects like History or Geography in English, too. Just like us!

Don't worry - if you want to be a bilingual student, you have more English lessons in the beginning to ensure that you understand everything.

You enjoy learning new languages and getting to know new cultures? Perfect! This is all you need!
